NEWS

New DL location in the heart of the Port of Rotterdam

We are proud to announce the opening of our **new location in Rotterdam**, strategically situated at a **prime triple-A location** along the A15 – the lifeline of the Port of Rotterdam.

Our new facility is located at Distripark, directly adjacent to the dynamic Waalhaven, a **logistics hotspot** just a stone's throw from both the Short Sea Terminal and the Rail Service Center. Thanks to this location, we are perfectly positioned to serve our clients even more efficiently and swiftly, whether by road, water, or rail. Our new building is **modern, well-maintained**, and **ready to meet the high demands** of today's logistics.

WE ARE HERE LOCATED

Willem Barentszstraat 31
3165 AA Rotterdam
Albrandswaard

What we can offer you

- a **prime triple-A location** for ambient goods;
- **8.000m²** of warehousing space;
- for **more than 10.000 pallets**;
- a **modern, well-maintained** warehouse.

📍 Settled In and Loving the New Space

A couple of months ago, we shared the news about our big move and now we're happy to say we're fully settled into our new office in Egham!

The space has already made a big difference for the team, giving us more room to work better together, and welcome visitors more comfortably.

We had new photos taken and we're proud to show off our new home.

Thanks to everyone who's supported us during the move. We're looking forward to what's ahead at 01 Meadlake Place!

ISO 9001:2015

The scope of activities covered by this certificate is defined below

**Provision of Freight Transport Service for Inland
& Cross Border and Custom Broker Services**

New Members - Lotus Terminals Ltd (Canada, Vancouver)

Welcome to our new member Lotus Terminals Ltd - Canada, Vancouver

You can find their contact details on the [GLF Directory](#).

Lotus Terminals is a family-owned and operated, asset-based freight and transportation company with over four decades of experience. What started in 1980 with one man and a truck has grown into a trusted logistics partner for complex, high-stakes freight throughout North America.

At the heart of our operations is a **state-of-the-art 10-acre facility** - based in Surrey, British Columbia - purpose-built to handle overdimensional, overweight, and time-sensitive shipments. Whether it's transloading from marine containers to flatbeds, cross-docking between modes, or managing inland moves for oversized industrial components, **we specialize in the kind of work that demands experience, care, and hustle.**

Overdimensional. No Problem.

From mining equipment and telecom structures to crated machinery and massive infrastructure components, we're ready to handle what others can't — or won't.

Our in-yard capabilities include:

Heavy lift equipment rated up to **100,000 lbs** (with our own assets), plus the ability to bring in additional equipment when needed

Overhead cranes, laydown zones, and reefer plugs to accommodate specialized freight and staging needs

Access to flatbeds, step-decks, dry vans, and custom trailers for FTL/LTL and specialized oversize freight

New Members - Lotus Terminals Ltd (Canada, Vancouver)

A deep bench of experienced freight handlers and rigging experts who make safety, speed, and precision look easy

Strategic Transloading & Cross-Docking Hub

Accessible to the **Port of Vancouver, DeltaPort, and key CP/CN intermodal rail terminals**, we offer rapid container destuffing, reconfiguration, and distribution across Western Canada and the Pacific Northwest (USA).

Intermodal Specialists: We manage container, rail, and truck transitions with real-time visibility.

Cross-Border Ready: Bonded facility and U.S./Canada transloading expertise.

Turnkey Project Freight Management: From permits and pilot cars to customs and rail coordination — we handle it.

Powered by People, Trusted by Partners

Lotus is much more than a yard — we're a people-first company invested in long-term relationships. Our team brings together industry veterans, hands-on operators, and detail-obsessed coordinators who take pride in solving problems and getting the job done right. We're proud to serve industries ranging from mining and energy, aerospace to forestry, manufacturing, and beyond.

Now as a new member of the **Global Logistics Family**, we're excited to meet fellow freight professionals who share our mindset — and to support partners around the world looking for a reliable, responsive gateway to Vancouver, Canada.

Whatever you've got. Wherever it's going.

WE BRING IT!

New Members - Malenstein Global Logistics (Germany)

Welcome to our new member Malenstein Global Logistics - Germany

You can find their contact details on the [GLF Directory](#).

Since 1983 ...

Since our founding in 1983, we have continually evolved, always aiming to improve our clients' logistics experience.

Our culture is defined by Quality, Efficiency, and Agility, all delivered in a timely manner, alongside a strong commitment to offering our business partners the best solutions for their logistics needs.

As independent IATA agents, certified under ISO 9001:2015 and GDP, and fully licensed customs brokers with regulated agent status, we are well-equipped to provide high-quality service around the clock.

While the cargo industry may appear mechanical to outsiders, we view it as a people-centric business. We're small enough to foster personal relationships with all our clients, yet large enough to handle any task. Many of our clients have been with us for years, as we prioritize good communication and teamwork. In fact, we cherish our relationships so much that we often send flowers to celebrate our clients' birthdays!

And we're take pride in that!

New Members - SNS International Transport (Turkey)

Welcome to our new member SNS International Transport - Turkey
