## *Members News From Sandford Freight - United Kingdom, Middlesex*

Sandford Freight would like to share a project cargo shipment that they have successfully handled from the UK by sea freight to Iraq for The Ministry of Electricity.

This involved moving several out of gauge pieces of cargo and oil in specialised ISO tankers.

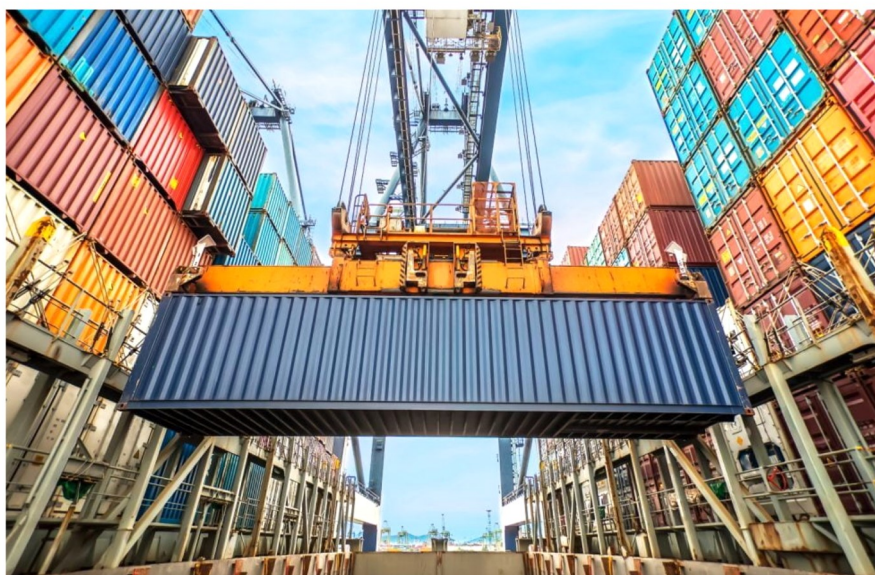

June 2024

## *A Message From Movements International- Fiji*

We are enthusiastic about expanding our logistics services to include shipments to and from Fiji, as we serve as the trans-shipment hub for the Pacific islands. Keep an eye out for the rates on the freight viewer app coming soon. We are eager to collaborate with all of you.
